TOPIARY  
HOUSE

The garden is like a theatre stage where the plant and planter colours play their part in story telling.

Colour trends are no longer associated to only fashion designers but have been creatively used by artists, interior designers and landscape artists alike. We trust you will enjoy this exclusive listing of inspirational and inspiring outdoor planters, be it contemporary or traditional.

Please refer to the image below which gives an accurate representation of just how a planter from this collection could look when combined with one of our elegant Topiary plants.

Topiary House supply both trade and retail. Further details can be obtained by emailing us at [topiaryplants@topiaryhouse.co.uk](mailto:topiaryplants@topiaryhouse.co.uk)
